A Sweet Deal For All You Parents

Love is in the air!

Valentine's Day is right around the corner and we've got your special gift all picked out and ready. We've officially started our "Sweetheart Deal" rewards program as of this Monday, so keep your eyes peeled for the materials to be handed out in your gymnast's regular class.

The Sweetheart Deal is just as simple as it is great. We will be handing out "valentines" to each student during class with which you may address to any of your friends, neighbors, classmates, co-workers, etc. The valentine gets the referred family a free class and \$25 off when they sign up at SCATS, and for

every card received that has your name in the "from" space, you will also get a \$25 credit to your SCATS account! No catch, just our way

of saying "thanks" for letting others know how much your little gymnast loves SCATS.

Oh, and we should mention, too, that there is no limit to

the number of referral bonuses you can receive.

If 20 kids from school sign up using valentines with your name on them, then that's \$500 credit, and all you had to do was show a little extra love around Valentine's Day.

Should you need more cards than the small stacks we will be handing out to each student during class, simply stop by the front desk and we'll give you more than enough to hand out to your heart's content.

Don't wait too long to pick up extra cards, though, because we will only have them available for hand-out until the end of the month!

Happy Valentine's Day to you and yours!

The 2017 SCATS Spring Show!

We've got plenty of fun lined up for February, but it doesn't end there. Our annual SCATS Spring Show is slotted to take place on March 18th & 19th, 2017! Here's a great opportunity for all SCATS gymnasts from Mighty Mites to Special Programs, to show off the skills they've worked so hard on.

We will be introducing our first "Under The Sea" themed show this year, which promises to be a blast! So after you watch that

snoozy Oscars event a couple weeks before, you can come see some real action. Expect an awesome event with great energy from start to finish. The kids will have their time in the limelight to perform

rehearsed routines for family and friends while you will have the unique opportunity to get up close and grab some GREAT photos of your gymnasts in action! The Spring Show is like a recital in nature, but has all the same excitement of a competitive meet.

We've already started taking sign-ups, so don't delay— they're first come first serve for session and coach choice!. Tell family and friends to "save the date" and make a guest appearance at our star-studded event!

Did You Know?

Arnold Schwarzenegger (the one and only) is among the world's biggest gymnastics fans. He loved the sport so much that he began hosting meets in 2000. The "Arnold Gymnastics Challenge" will see its 17th year next month in Columbus. It is the largest mixed gymnastics meet in the nation with around 4,000 competitors.

Feeling Crummy? Let's Schedule a Make-up...

Flu and cold season is in full swing! One bug or another has already had many of us down for the count or stocking up on Day-Quil in 2017.

We at SCATS always do our best to keep the gym a clean and healthy environment for kids and families, and we take a great deal of pride in being one of the cleanest gyms on the West Coast. Our cleaning crew is in 7 days a week using a range of safe yet highly effective commercial grade cleaners on our various surfaces, which eliminate 99.9% of germs, viruses, bacteria and fungus.

Unfortunately, though, all it takes is a cough, sneeze or high five to spread a bug, so we need everyone's help to keep the sniffles from making their way in. If you think your child has the flu or a cold coming on, let's schedule a make-up for them.

Gym is best when you feel your best, and something as simple as waiting a week can help keep our wonderful students and staff healthy, so they're here when you return! Thank you for your help, and stay healthy this winter and spring.

Stars 'n' Bars Camps: Still Space Available

Don't forget, school is CLOSED on Monday the 13th and the following Monday, the 20th (depending on your district). ...And you probably don't have the day off

from work. Don't fret! SCATS has CAMP on BOTH of those days, with tons of high-energy fun planned for the kids from 8:30 AM to 3:30 PM (and later if needed).

We still have space available for half days and full days of our renowned Stars 'n' Bars Gymnastics Camp, so make sure you grab one of the remaining spots before we fill up.

Just give our front desk a call or stop by next time you're in the building. Then you can stop worrying about having to hire Jamey, that babysitter who sticks her gum under your coffee table while the kids play hockey in the kitchen.
