2017 "Summer Sizzler" Deal for Parents

We at SCATS know that summer fun for the kids can easily translate to 'summer scrambling' for parents. So, we're doing everything we can here to make summer something to look forward to again, not lose sleep over!

We're offering our current SCATS parents our awesome "Summer Sizzler" deal to encourage you to keep the kids enrolled in classes through the sunny months:

To all SCATS families who maintain a current SCATS account now through June, and then pay for July & August classes **by June 15th**, we're offering a FREE half day (AM sessions) of our Gym & Swim Summer Camp PLUS a FREE "parents' night out" event this summer in return! It's 7 hours of free SCATS fun and a huge value for families, especially if you have two or more kids enrolled at SCATS.

Please see our front desk for details and exclusions on the Summer Sizzler.

It's definitely a tough deal to pass up, especially if you're familiar with our highly-acclaimed and phenomenally fun summer camp. And if you're not, this is a GREAT opportunity to check it out...

Our 31st annual summer camp is jam-packed with gymnastics, recreational swimming (Tuesdays and Thursdays each week), athletic games, arts & crafts, face painting, music, walking field trips to Get Air Trampoline Park, Chuck E. Cheese and Wheeler Park, special events, and special guests. Every week, our age

specific activities are geared toward a fun new theme, and each day will be different from the one before it. We'll be bustin' out our giant inflatable obstacle course on select days and host the 6th annual "Mini-Olympics" in honor of our 14 SCATS Olympians. The best part for parents? You can sign up as you need us—a day, a week or all summer long. All we need is 24 hours notice!

As you can see, the summer promises to be filled with fun at SCATS. We have plenty of other discounts to go around, too, including full-week and sibling rates, as well as camp punch cards to use at your convenience. Fun and flexibility is the name of the game this summer, and SCATS is the place to find both!

For a full camp brochure, just swing by our front desk or visit our website at SCATSGymnastics.com.

Did You Know?

The SCATS girls & boys team members have garnered 18 "State Champion" titles, 22 "Regional Champion" titles, and had 6 qualifiers to National Championships in 2017 thus far. Wow! Give a team member a well-deserved high five next time you see them in the gym. They're working hard out there and it certainly shows!

Following 22 Regional Champ Titles & 45 Medals, SCATS Teams Go to Work in National Competition

Congratulations to all the SCATS Optional Team Members that did such a fantastic job this season!

After an impressive showing at the State Championship meets, which had the SCATS girls and guys on the podium a total of 55(!) times, our Team Members turned up the volume at the highly competitive Regional Championship competitions. Our competitors garnered a whopping 22 Regional Champion titles across the men's and women's events and all-around standings, which were included in a staggering total of a second batch of 45 medals across the competitions. We'd say "we're speechless," but the truth is that we can't talk enough about all their hard work! And it didn't end at Regionals either.

This past weekend, level 9's Emily White and Hailey Markes traveled to Boise for their FIRST time at Western National Championships. Hailey took home the

Bronze on floor, while Emily earned Silver on beam! Emily also took 7th All Around amidst the stiffest competition out there and a session of high scores. Amazing job, girls! The SCATS boys head to JO Nationals at the end of next week, so we'll be updating you on social media with their progress.

While the SCATS staff couldn't be happier with these gymnasts' truly awesome accolades so far in the 2017 season, our biggest source of pride in the boys and girls is their collective victory as upstanding young competitors. These young athletes have put in countless hours of dedication in and out of season, and shown only the highest degree of sportsmanship, camaraderie and grace whether they stepped onto the podium or cheered on their teammates and competitors as they did so. Our hats are off to you, SCATS Team Members! *Check out some highlights from Regional Champs in the column to the right.*

Unlimited Make-Ups ALL Summer Long!

Don't let your summer schedule *wipe you out!*

Leave that make-up card at home this summer. Through June, July and August,

SCATS is giving you **UNLIMITED MAKE-UPS** for missed classes in addition to your 2 weeks vacation credit. We also have the option of our Summer Siz-

zler Deal (see side 1) if you pay ahead for your summer classes! They're our little ways of showing our appreciation for our dedicated SCATS kids and parents.

We know how hectic summer schedules can get between your vacations, vocations, visitors, and everything in between. We also know that you have your pick of activities during the summer for the kids. All of us here thank you for being a part of the SCATS family this summer and all year long. We look forward to tons of fun in class and camp, so we'll see you there!

Pirates & Princesses Play Day: May 20th!

We've got a fun night planned for Saturday, May 20th from 4 to 8 PM, and for kids as young as 3 (potty trained)! Have your little gymnasts and their friends join us for the "Pirates & Princesses Play Day" while you take a well-deserved evening off to yourselves. We've got plenty of fun in store for this one, including prizes for the best pirate and princess costumes, face painting, the pillow battle over the foam pit, our 50-foot inflatable obstacle course, races and competitions, hide 'n' seek, freeze dance and more. All that plus pizza dinner for less than the cost of babysitting!

Saturday May 20th is the date, so make sure to mark your calendars now and reserve your spot with us in advance.

Space is limited, though, so don't wait too long to sign up!
