

Rio '16 "OLYMPIC DREAMS" SPRING SHOW!

Stop by our front desk to sign up for the 2016 SCATS "Olympic Dreams" Annual Spring Show! Routines on all events will be performed as well as a special performance from each class. Kids & family members alike have a blast as our gymnasts show off what they've been learning at SCATS. Parents, you can follow your child from one event to the next, out on the floor, for an up-close look at the skills and technique they've been developing. Upon registration you will receive a credit for two free guests. Each performer receives a fun photo op at the event and a special award for their hard work in the gym and for exhibition of Olympian-level poise and sportsmanship at the event.
